

Let's Pray Together

Day	Prayer Items	
1	English Ministries	Pray that God will speak to us through our study on the book of Ezra. Pray that His word will challenge us to step out of our comfort zone and follow Him wholeheartedly.
2	Youth Ministries	Pray for God to speak into the hearts of our youth. As we explore "Two ways to live" this term, pray that our youth will grasp the gospel message and proclaim Jesus as their personal Lord and Saviour.
3	Children Ministries	Pray that the experience of joining the Baptism service on 25/5 has left a positive and lasting impact on the children and provided an opportunity for the older kids to reflect on their spiritual growth.
4	National & World Affairs	Please pray for the new government of Australia. May the Lord grant wisdom and integrity to leaders at all levels, so that they may govern the country with justice, care for the needs of the people, promote social harmony and stability, respect and protect religious freedom, and carry out what is pleasing to the Lord in their governance.
5	Cross-Cultural Missions	Daniel & Mary Shayesteh: Pray for more chances worldwide to preach, disciple, and share Christ's message of love and hope. Ask God to strengthen their support for international coworkers and bless their gospel work. Pray for more believers to share life-changing testimonies, and for healing of Daniel's dry, sensitive eyes.
6	Church-Wide Ministries	The church theme for this year is "Standing Firm in a Season of Change." In times of change, let us not rely on our own experience or planning, but on the strength and presence of the Lord. As spoken through the prophet Zechariah: "Not by might nor by power, but by my Spirit," says the Lord Almighty (Zechariah 4:6). Please pray for the whole church — not only to attend Sunday gatherings, but also to live each day with Christ as their foundation, remaining peaceful and steadfast in faith whether in good times or trials.
7	Cantonese Ministries	Pray for the new term of seeker and new believer classes: i) May the Lord open the hearts of participants and allow the Holy Spirit to work freely among them, revealing truth through His Word so they may know and understand His salvation plan. ii) May the seekers come to clearly understand God's love and willingly open their hearts to receive the salvation prepared for them. iii) Pray for new believers, that they may build a committed life in Christ, be rooted in faith through God's grace, and continue to grow spiritually.

Day	Prayer Items	
8	Mandarin Ministries	Thank God for guiding the smooth running of the Sunday worship services held at Epping West Public School. Pray that God continues to open the way for long-term venue use and grants wisdom and faith to the coworkers to develop the Mandarin ministry according to His will.
9	English Ministries	Pray for those going to EQUIP, a women Bible ministry, that they will be inspired by God's word and it will be a time to develop a deeper bond with fellow sisters in Christ .
10	Youth Ministries	Pray that God will continue to empower our leaders to serve, give them much love and patience to listen and care for the youth. Also, may God raise up a new generation of leaders to serve Him and carry His message to the youth.
11	Children Ministries	Pray for the preparation of Children Sunday School Sunday on 15/6, and for the children's serving hearts — that they may focus on the Lord and experience His presence. Pray for the launch of other activities, including the Kids Street Library, wall display, and Bible Memory Verse Challenge. May our children love the Word of God, and may His Word be the light of their lives.
12	National & World Affairs	An Australian family court has ruled against rushing a 12-year-old child into gender treatment, raising concerns about how some clinics have been handling such cases questionably. The judge called for more balanced, careful care for children. Pray for wisdom for doctors, parents, and courts to care for children with truth and love. Pray for peace in families facing tough decisions, and for children to grow up safely and securely.
13	Cross-Cultural Missions	Kim Chau: Pray for a refreshing time and meaningful, uplifting sharing with supporters. Pray for God's clear guidance in her future service and ministry direction. Pray for New Hope schools to reflect God's truth and grace, for teachers to be on mission in their roles, and for unity in gospel-centred church planting through City to City.
14	Church-Wide Ministries	Thank the Lord for leading Pastor Arthur Leung to join our pastoral team and shepherd the Cantonese congregation. Pray for grace upon him and his wife, that they may fully integrate into our big spiritual family. Also pray that Pastor Leung will be strengthened to focus on shepherding the flock, faithfully preaching the Word, and building up God's house with the congregation. Additionally, the recruiting committee for a youth pastor held its first meeting last month — please earnestly pray for this recruitment process.
15	Cantonese Ministries	Thanksgiving and prayer for the Paul Fellowship: i) Pray for the fellowship's annual theme and weekly meetings, that God blesses them so brothers and sisters are edified, renewed in life, and grow together to live out a testimony for Christ. ii) Pray for the fellowship leaders and group leaders, that God grants them strength from above, so they may experience His grace and joyfully serve despite the labour. May the Holy Spirit open the members' spiritual eyes and sensitivity so they can see God's presence even in difficult or seemingly impossible situations and intercede for others with a kind heart.

Day	Prayer Items	
16	Mandarin Ministries	Pray for the sister who was baptized in May — may God lead her life. Also, pray for the “Blessed Life / Abundant Life” course for new believers, that it helps more people know Christ and build their faith. Pray for God’s grace and strength for all who serve in this ministry.
17	English Ministries	Pray that our church family will continue to prayerfully depend on God each day. May God gives us the desire to draw close to Him and trust Him with our lives. Pray that the Holy Spirit will continue to work in us, sanctify us to be more like Jesus, and use us to be His salt and light.
18	Children Ministries	Pray for a sustainable plan to address the physical challenges we are facing in the children’s ministry, and for God’s provision of more brothers and sisters to step into leadership roles within the team.
19	National & World Affairs	In a climate of increased surveillance and regulation in China, pray for continued room for spiritual expression and respectful interaction between faith communities and authorities. As gatherings outside official frameworks face growing pressure, ask God to strengthen local faith communities, that they may stay rooted, encouraged, and united in love, ensuring they receive the necessary support.
20	Church-Wide Ministries	Pray for the Elder and Deacon Training on June 21 to be held at church, led by Rev Rod Russell-Brown, former president of the C&MA in Australia. The training is to equip future spiritual leaders. Please pray for this full-day training, that the participants will be well-equipped to serve the Lord in unity.
21	Cross-Cultural Missions	M&L (formerly E&C): Give thanks for prayers after M’s dad’s passing. Pray for comfort as they grieve and for meaningful ministry opportunities, especially with M’s mum, who is open to visiting church. Pray that God would gently draw her to Himself. Praise God for the flexibility to stay longer and team support. Pray for health (especially M’s eyes) and growing connections at the university.
22	Cantonese Ministries	Pray for recruitment in the Sunday service parking/traffic ministry: i) May the Lord raise up brothers and sisters willing to commit to this service team, so that pickup and parking arrangements during worship services are handled well to ensure safety. ii) Pray for the church’s relationship with neighbouring residents, that the Holy Spirit reminds members to reflect Christ even in small details such as parking and interactions, being a good testimony in the community.
23	Mandarin Ministries	Pray for the second session of the “MasterLife” discipleship training this year. May God guide students to be committed in learning, experience spiritual growth, follow Christ, and become His disciples. Pray also that God gives wisdom, strength, and love to the mentors, assistants, and prayer partners to lead and accompany learners in their growth.

Day	Prayer Items	
24	Cross-Cultural Missions	Rural NSW missions: Pray for open doors to reach Australia's diverse ethnic groups and for new believers to be guided by the Holy Spirit. Ask God to bless their ongoing ministry, that hearts would be open to His Word, and for good health for all workers. Give thanks for the approval to establish Maitland Alliance Church and continue to pray for ministry development, team unity, and for Ps Thomas's health and safe travels.
25	Church-Wide Ministries	Please pray for the future direction of the church's development. May the pastors, elders, and deacons receive God's vision and lead the church in unity, rooting deeply in Christ and winning more souls for the Lord. Also, pray for the three different congregations — English, Mandarin, and Cantonese — to collaborate more closely, share resources, and jointly bear witness to God's love and presence.
26	Cantonese Ministries	Pray for the James Fellowship: i) Pray for the university life of all the leaders, that God's glory may be revealed in their studies, relationships, service, and evangelism, building up the whole team in the Lord and growing strong in His love. ii) May the Lord preserve and strengthen the mentors, that they may work together in service and care with love, becoming spiritual role models for the younger members. iii) May God use the Book of James to work in their lives, helping them practice God's Word in daily life and live a life modeled after Christ.
27	Mandarin Ministries	Pray for Mandarin evangelism and outreach ministries, such as, "Wonderful Footsteps", English classes, and English Corner. May God personally lead and use them to spread the gospel in the community. Also, pray that God raises more brothers and sisters to serve in the children's ministry, drawing young families from the community to come, learn the gospel, and grow in faith.
28	Church-Wide Ministries	Pray for the health of our brothers and sisters as the weather turns colder — that they may stay strong and healthy during the cold days, and that this can also be an opportunity to care for those around us.
29	Cross-Cultural Missions	Chinese Alliance World Fellowship (CAWF): A missions conference for emerging young leaders, CAWF Rendezvous 2025, will be held in Taiwan from 17-27 July. Young leaders from the global Chinese C&MA family will gather for training, networking, and mission engagement. Pastor Eric and 3 young leaders from the English congregation will be taking part. Pray for safe travels, powerful messages, meaningful connections, and above all, the Holy Spirit's work in shaping lives and preparing His workers.
30	Church-Wide Ministries	Pray for the brothers and sisters who have just been baptized and joined the NSCAC family — may their spiritual lives be rooted in Christ and live out a life that makes disciples.
